SUMMARY

Web & UX Design student at Wake Technical Community College with a passion for front-end development. Combines creativity with technical skills to build responsive, user-centered websites. Recently redesigned and launched a company website using HTML, CSS, JavaScript, and Astro. Detail-oriented, organized, and bilingual (English/Spanish) with a background in customer service and team collaboration.

TECHNICAL SKILLS

Languages & Frameworks: HTML, CSS, JavaScript, Astro

Tools & Platforms: Netlify, Figma, GitHub, Microsoft Office

Design: UI/UX Design, Responsive Web Design, Photography

Languages: English (fluent), Spanish (native)

EXPERIENCE

Web Developer & Social Media Manager | Maynor Group LLC · Full-time · *Dec 2025 – Present* | Raleigh, NC (Hybrid)

- Redesigned and launched the company website from scratch using HTML, CSS, JavaScript, and Astro; created high-fidelity prototypes in Figma prior to development.
- Managed deployment and hosting through Netlify, including domain configuration.
- Leveraged AI-assisted development tools and UX best practices to deliver a responsive, modern web experience; providing ongoing maintenance and updates.

Robotics Coach | Zebra Robotics · Part-time · *May 2025 – Dec 2025* | Raleigh, NC

- Guided elementary students through hands-on STEM and robotics projects using LEGO WeDo 2.0.
- Facilitated daily learning activities including Minecraft team contests and collaborative problem-solving exercises.
- Designed engaging challenges to foster student motivation, teamwork, and critical thinking skills.

Customer Service / Cashier | Logan's Garden Shop · *Oct 2024 – Aug 2025* | Raleigh, NC

- Assisted customers with returns, plant deliveries, and seasonal services, maintaining high satisfaction standards.
- Processed transactions accurately using POS systems and handled phone inquiries about products and promotions.

Pharmacy Technician | Glenwood South Pharmacy & Market · *Mar 2023 – Sep 2024* | Raleigh, NC

- Assisted pharmacists with medication fulfillment and ensured timely, accurate delivery to patients.
- Managed daily phone inquiries, providing professional support to patients, customers, and healthcare teams.
- Maintained pharmacy inventory through ordering, stocking, and organization.

Server / Bartender / Lead Barista | The Westin Fort Lauderdale Beach Resort · *Sep 2019 – Mar 2022* | Fort Lauderdale, FL

- Seamlessly transitioned between server, bartender, and lead barista roles, ensuring exceptional guest experiences.
- Managed financial transactions, inventory, and upheld hospitality standards across multiple positions.
